

# CAREERS IN AGED CARE

## Want to fast-track your way into a job in the Health and Community Services sector?

Multiple positions available for Individual Support Workers in **AGED CARE** (residential care or home support services).

In just under two months, you could be living the dream and working in the job of a lifetime with one of our high-profile employers providing Aged Care Services in the Limestone Coast region. What's more it's free and open to any age group!

No previous experience necessary and this is an ideal opportunity for career changers attracted to the professional nature of the Care workforce and who would like to obtain paid employment while also gaining a qualification (Certificate III in Individual Support – aged) through these part-time traineeships.
